WHEREAS, in the interest of protecting the citizens of Delaware who may experience economic hardships related to the impact of COVID-19, the Department of Labor finds that the adoption of the following emergency rules is necessary to enhance the flexibility of Delaware’s unemployment insurance program to provide cash assistance to many Delaware workers whose employment has been impacted directly by COVID-19 and who would not typically qualify for benefits.

NOW, THEREFORE, IT IS ORDERED:

1. In addition to the federal funding provided in section 2103(b) of the CARES Act, as amended, to state and local governmental entities, certain nonprofit organizations, and Federally-recognized Indian tribes, as described in section 3309(a) of the Internal Revenue Code of 1986, that opt to make reimbursement payments in lieu of assessments pursuant to title 19, section 3345 (“Reimbursable Employers”), the Division will also use funds received by the State pursuant to Section 5001 of the CARES Act to pay up to 50% of the amount required to be paid by each Reimbursable Employer in lieu of assessments for weeks of unemployment during the period that begins on March 1, 2020 and ends on December 30, 2020, only in the amount that each Reimbursable Employer is still required to pay after the application of section 2103(b) of the CARES Act, as amended, that is attributable to COVID-related claims that meet the eligibility requirements under Section 5001 of the CARES Act.

These emergency rules are promulgated by the Department of Labor pursuant to the authority granted to the Secretary of Labor by the General Assembly in 29 Del. C. § 8503. During the period of time 29 Del. C. § 8503 is in effect, all existing laws, ordinances, rules or regulations that are inconsistent with these emergency rules shall be suspended, to the extent that a conflict exists. These emergency rules shall remain in effect until March 31, 2021, unless modified or amended by additional emergency rules.
The Secretary of the Department of Labor reserves the right to issue additional emergency rules and to modify or amend these emergency rules, pursuant to the rule-making authority granted in 29 Del.C. § 8503.

**IT IS SO ORDERED,** the __14th__ day of December, 2020.
