Education & Training				
<i>Head of the Class: Have You Got What It Takes to Be an Early Childhood Teacher?</i>		<i>Lisa Thompson</i>	Find out what skills are needed, what's in a day's work, and where early childhood teaching can take you. You'll also learn how to keep kids healthy and safe, and how to maintain a positive learning environment.	2009
<i>Career Ideas for Teens in Education and Training</i>		<i>Diane Lindsey Reeves</i>	Those interested in becoming an educator have many options to choose from. Educators work in child care centers, schools, colleges and universities, corporate offices, and other places where teaching and learning occur on a regular basis. This book explores the wide variety of jobs available for those interested in planning, developing, managing, and providing education and training services as well as the support services necessary to make learning possible.	2012
<i>Learning Green: Careers in Education</i>		<i>Suzy Gazlay</i>	Learning Green introduces readers to a wide range of careers in education that address conservation and environmentalism. These include teaching and promoting a "green" curriculum in a public or private school setting.	2009
<i>My Teacher Is an Alien</i>		<i>Bruce Coville</i>	Susan Simmons can tell that her new substitute teacher is really weird. But she doesn't know how weird until she catches him peeling off his face -- and she realizes that "Mr. Smith" is really an alien!	2005
