This brilliant selection of excerpts from some of the most intriguing autobiographies offers a glimpse into meaningful moments in the lives of some very special kids who would grow up to be some very amazing adults.	

***Teen Dream Jobs: How to Find the Job You Really Want Now!***

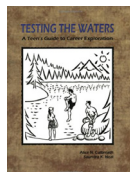

*Nora Coon*

This book, written by a high school student, helps teens find a job that interests them. Readers can find information on where to find job listings for teens, resume writing, and interviewing. The book is filled with quotes from real teens who have found their dream job while in school.

2003

***Testing the Waters: A Teen's Guide to Career Exploration***

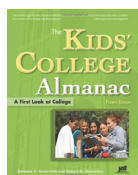

*Alice Culbreath & Sandra Neal*

This book is designed to help students prepare for future careers and college goals. It is a directory of over 1,200 part-time and summer jobs, internships, volunteer opportunities, entrepreneurial ideas, educational programs, travel and adventures located throughout the United States and around the world.

1999

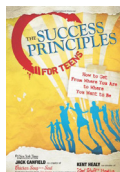

***The Kids' College Almanac: A First Look at College***

*Barbara C. Greenfield & Robert A. Weinstein*

A fun and interesting way for middle school students to get their first information about college and how it's a possible and worthwhile goal to pursue. Starts with the basics and gives a comprehensive overview of everything the student can expect when exploring college - all in bit-sized pieces. Also includes lots of fun trivia facts about colleges.

***The Success Principles for Teens: How to Get from Where You Are to Where You Want to Be***

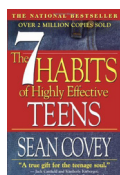

*Jack Canfield*

The Success Principles for Teens is your road map whether your goal is to become a better student or athlete, start a business, make millions of dollars, or simply find guidance and direction. The principles in this book always work, if you work the principles.

2008

***The 7 Habits of Highly Effective Teens: The Ultimate Teenage Success Guide***

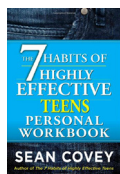

*Sean Covey*

Being a teenager is both wonderful and challenging. In The 7 Habits of Highly Effective Teens, author Sean Covey applies the timeless principles of the 7 Habits to teens and the tough issues and life-changing decisions they face. In an entertaining style, Covey provides a step-by-step guide to help teens improve self-image, build friendships, resist peer pressure, achieve their goals, get along with their parents, and much more.

1998

***The 7 Habits of Highly Effective Teens Personal Workbook***

*Richard Bolles & Carol Christen*

With new chapters on social media and sustainable jobs—along with all-new profiles of twenty-somethings who've found work in solar energy, magazine writing, and more—this new edition has all the nitty-gritty details you need to get started now. Most importantly, it's packed with the big-picture advice that will set you up to land the job that's perfect for who you are—and who you want to be.

2010

***What Do You Really Want? How to Set a Goal and Go for It!***

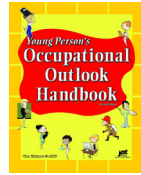

*Beverly K. Bachel*

Why do some people accomplish so much more than others? It's not because they're smarter or more talented. It's because they know how to set and reach goals. Research shows that effective goal setters have less stress and anxiety, concentrate better, and are more satisfied with their lives. For teens, goal setting is linked to improved school performance, motivation, self-confidence, and self-esteem.

2001

***Young Person's Occupational Outlook Handbook***

*JIST*

This book is an excellent first reference for exploring career opportunities. It is a very handy, fun-to-read book that's a must-have for every kid and parent. Modeled after the most widely used career book in America, this resource groups together related job descriptions, making it easy to study job options based on interests. The text stresses the connection between school subjects and future careers. Green occupations are included in the job descriptions.
