Manufacturing				
<i>Eli Whitney: The Cotton Gin and American Manufacturing</i>		<i>Regan A. Huff</i>	Learn how the need to farm efficiently gave the idea of industrial manufacturing to Eli Whitney, and how this greatly influenced the development of the United States of America through cotton farming and the Civil War.	2003
<i>Career Ideas for Teens in Manufacturing</i>		<i>Diane Lindsey Reeves</i>	From engineering to design, assembly to quality assurance, manufacturing holds a broad range of challenging and rewarding careers. Chemical, vehicle, electronics, and avionics manufacturing are just a few specializations in this broad industry.	2005
<i>Transformed: How Everyday Things Are Made</i>		<i>Bill Slavin</i>	CDs start out as sand. Blackboard chalk comes from tiny sea creatures. The objects all around us -- every single product in the world -- is made from elements found in nature. Discover how nature is transformed into more than 60 things we eat, drink, play with, wear or use every day. Technology changes constantly, but the stages raw materials go through to become finished objects remain much the same.	2007
