

Who We Are

The Division of Vocational Rehabilitation (DVR) offers a variety of support services to assist businesses in hiring and retaining DVR participants with disabilities.

Our goal is to build a collaborative partnership to help define and meet your business needs. DVR can assist you to build staff diversity through our broad pool of skilled job candidates, identify accommodations, and access workforce planning resources and labor market information. The DVR Business Relations Team is your direct resource for employment-related matters of persons with disabilities.
