W.I.O.A. = Workforce Innovation & Opportunity Act

- ensures that employment and training services provided by the core programs are coordinated and complementary
- promotes alignment of workforce development programs with regional economic development strategies
- increases the quality and accessibility of services
- helps job seekers acquire industry-recognized credentials for in-demand jobs
- prepares vulnerable job seekers for successful employment

Special Thanks to:

- The Delaware Workforce Development Board who paid for the food and facilities.
- Sharon Boland (DVR) who took on the task of setting up the online registration process.
- All of the presenters who have so much to share with us.
- WIOA Leaders & One-Stop Team members who provided valuable feedback and great ideas.

Our Vision:
Work in alignment and coordination to provide
Delaware’s workers with the skills, credentials, and
support necessary to secure and advance in employment
with family-sustaining wages and to provide local
employers with the skilled workers the employers need to
succeed in a global economy.
