### DVOP case management guidelines:

Disabled Veterans’ Outreach Program (DVOP) Specialists provide intensive services and facilitates placements to meet the employment needs of veterans with significant barriers to employment (SBE), prioritizing service to special disabled veterans, other disabled veterans, and other categories of veterans in accordance with priorities determined by the Secretary of Labor. See definition of SBE.

| Following LE Orientation video and review of registration, staff should ask only an eligible veteran with a SBE or eligible spouse or other covered person, if they would like to speak with a DVOP. Additionally, the veteran is immediately referred to a DVOP, (DVOP is given name and PID of veteran) | In order to document the referral, LE staff will go to Service/Training Plan in DJL, click “Service Quick Entry”, and select service type “Referral to veteran’s services”.

NOTE: Individuals cannot be referred to DVOP unless they are registered in DJL and it is determined they are eligible to see the DVOP.

Also, LE staff will notate the decision in the LE program note following the LE orientation or other service. |
